Being a computer scientist with her contributions to computational geometry.

Best Known For:

Having a PhD in Mathematics. She invented one of the first digital computers. She was in the shortlist for the Fields Medal in 2017.

Best Known For:

Being the first Iranian to receive a Fulbright scholarship for doctoral studies in mathematics.

Best Known For:

Being the first woman to be elected as a full member of the French Academy of Sciences.

Best Known For:

Being the first woman to be elected to the International Statistical Institute.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the founder of modern design in statistics. Cox became the first woman in 1948.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

BestKnown For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.

Best Known For:

Being the first woman to be appointed as commander of the Order of St. Olav by the Norwegian King for her work in mathematics.
