EWM-NL Annual Event

Friday 8th of November

14:00 - 17:30, Oudemanhuispoort 4-6, UvA

(Non-)Imaginary mathematicians

Come to the EWM-NL Annual Event on Friday the 8th November in Amsterdam! Let us bring together the mathematics community and discuss this year's theme "(Non-)Imaginary mathematicians".

The main speakers are Ariane Mézard (Sorbonne University), who will talk about women role models in mathematics in relation to the Marguerite's Theorem movie, and Camilla Damian (VU Amsterdam), who will talk about Bias in Language.
